

If you use the Birnbaum siddur (HaSiddur HaShaleim by Philip Birnbaum, 1949 version), the three page guides below – one for Shabbat and Festivals, one for special occasions, and one for weekdays – enable you to determine the page in the Expanded version of Siddur Eit Ratzon (Eit) that corresponds to a page in Birnbaum (Birn). (Note that in most cases only the initial page is given for an individual prayer.)

You may cut out these page guides and tape them to the inside cover(s) of a copy of the Expanded version of Siddur Eit Ratzon.
