

If you use the newer (1998) version of Siddur Sim Shalom for Shabbat and Festivals, the three page guides below – one for Shabbat and Festivals, one for special occasions, and one for weekdays – enable you to determine the page in the Expanded version of Siddur Eit Ratzon (Eit) that corresponds to a page in the 1998 version of Siddur Sim Shalom for Shabbat and Festivals (Sim). (Note that in most cases only the initial page is given for an individual prayer.)

You may cut out these page guides and tape them to the inside cover(s) of a copy of the Expanded version of Siddur Eit Ratzon.
